

Meeting	Transforming Communities Programme Board
Date	6 March 2018
Contact	Gail Woodcock, Lead Transformation Manager GWoodcock@aberdeencity.gov.uk

The key discussion points and decisions from the meeting are outlined below. If you would like any further information, please use the contact details above.

Social Transport

- The Programme Board received a presentation setting out the complexity of the current transport system. The Programme Board agreed that they would like to have potential quick wins identified in our developing plan to support manageable improvements. There will be engagement opportunities over the next few weeks and months.

Link Working Approach

- The Programme Board heard that the job profiles for the Link Practitioners have been developed and these posts will be advertised soon. There is a preferred candidate for the Community Links Development Manager post. It is anticipated that this post will commence in May and will be responsible for driving forward a number of link working related projects.

INCA

- INCA teams are now operational in Cove and Peterculter and started working with their first patients last week. There are many challenges that the project team and operational teams are finding and implementing solutions to.

Acute Care @ Home

- A number of key operational appointments have now been made, with further recruitment processes ongoing. It is anticipated that the first patients will be seen w/c 26 March. For these initial patients, service delivery will be monitored using a PDSA (Plan, Do, Study, Act) cycle to support continuous improvement.

Our Transformation Programme.

What is the Transformation Programme?

The Transformation Programme is made up of a range of projects, initiatives and work streams which will help Aberdeen City Health & Social Care Partnership (ACHSCP) to deliver our strategic plan and achieve our vision:

“We are a caring partnership working together with our communities to enable people to achieve fulfilling, healthier lives and wellbeing.”

The Transformation Programme is made up of 4 different boards which look after the different parts of the programme:

The work of the boards is supported by working groups and projects which are delivered by project teams – if you would like to get involved or find out more please contact achscptransformation@aberdeencity.gov.uk
