Frequently Asked Questions (FAQ) – Page 8-10

What will the Neighbourhood Health: Health Improvement Fund support?

The aim of the Aberdeen City Health Improvement fund is to support health and wellbeing projects that improve the live of people and enhance the work of the Aberdeen City Health and Social Care Partnership.

The project should align to the strategic priorities of the Health and Social Care Partnership:

- Caring together
- Keeping people safe at home
- Preventing Ill Health
- Achieve fulfilling healthy lives.

You can find more about the Aberdeen City Health and Social Care Partnership strategy [here](#).

Every organisation will be asked to describe how their project demonstrates one of the following objectives.

- Enrich communities - Adding to a community's ability to live well

- Boost individual resilience - Helping the most disadvantaged / vulnerable to increase their health and wellbeing
- Strengthen community resilience - Sustained ability of a community to use the available resources to respond to, withstand and recover from adverse situation. E.g. a community based initiative that seeks to improve peoples health.
- Collaborative decision making - Exploring ideas and making plans with those affected by an issue.

The fund will prioritise projects where:

- The need for the activities have been clearly demonstrated, including evidence that there is interest among the intended participant group for the activities.
- There are clear health benefits, either to physical health or mental health or both.
- The applying organisation has knowledge of the community they work with and has plans to address the challenges the communities faces with regard to health.
- There is a clear link to the community ideas for change within the Locality Plan.

Size of grant

Up to £5,000.00 is available to put your idea into action. Applications for continuation funding can be considered providing that the additional funding would show an extension or development of an existing project and that outstanding project evaluation reports are submitted.

Impact

Successful applicants will be required to submit a monitoring form to show how funding has been used to the benefit of communities. At the end of the grant period, grant recipients will be asked to report on funding outcomes and provide a short case study that demonstrates the project successes.

Who can apply?

Any community organisation based in Aberdeen who can demonstrate how their project and/or activities improve health and wellbeing for residents of Aberdeen are eligible to apply. Statutory bodies and organisations based outside of Aberdeen who plan to run projects for the benefit of people living in those areas are eligible but must clearly show they have established contact with communities in these areas.

Please tell us how you heard about the funding.	Please briefly tell us where you heard about this funding. It will help us to promote the fund in the

	future! For example, social media, ACVO newsletter.
If your bid to the Health Improvement Fund is unsuccessful, do you give us permission to pass this application on to other funds which may be better suited e.g. Community Mental Health and Wellbeing Fund (ACVO).	Please indicate yes or no. In a bid to increase the number of successful applicants, with your permission, we may pass your application to another local funder. For example, ACVO Communities Mental Health and Wellbeing fund.

Frequently Asked Questions

1) What happens next and how are decisions made?

The screening-panel will read applications and score each using the marking criteria.

The panel comprises of local community members (via the Locality Empowerment Groups and PNP), as well as public and third sector partners.

2) Can a proportion of the bid be funded?

Yes - the local decision-making panel can decide to grant a proportion of the amount requested.

3) Can I apply as an individual?

Yes, you can apply as an individual or as an informal group to support a community project. However, we will **not** pay monies into a personal bank account. There may be organisations that would be willing to host monies on your behalf.

For support to identify possible hosts please contact –
HealthImprovement@aberdeencity.gov.uk

Alternatively, you may wish to consider becoming a constituted group. For further information and support to become a constituted group contact Sandy Mathers, Development Officer at Aberdeen Council of Voluntary Organisations (ACVO) on sandy.mathers@acvo.org.uk or call 01224 686075.

4) Is there support to complete the application?

Yes.

- Email - HealthImprovement@aberdeencity.gov.uk
- Phone 01224 045 735 (Chris Smillie) or 01224 069 421 (Suzi Thomson)

5) Can an organisation complete more than one application?

An organisation can only be a main bidder for one application; however they can be named as a partner in additional applications.

6) Is there a system for reporting?

Yes, applicants will be expected to complete an interim and final project report. An interim report will be required at 6 months, with the final report due at the latest 12 months or when the project is finished.

Applicants who do not fulfill the evaluation requirements for their funded project will not be eligible to make future bids to the Fund.

A member of staff from Aberdeen Health and Social Care Partnership may visit funded projects to find out how you are getting on.

Please note your project may be asked to attend a showcase event.

7) Is there a timeframe in which the project must start?

Yes, all projects must start within 3 months of receipt of monies.

8) What happens if the project is unable to go ahead?

If you are not able to go ahead with the project as agreed, you will be asked to return the monies. Please arrange to make contact as soon as possible if you are concerned you will be unable to go ahead with the project

9) How does application scoring work?

All applications will be assessed by an Advisory Group including representatives of the Third Sector, the Health and Social Care Partnership, and a patient/carer representative.

10) What are the timescales for decision making process?

Applications will be assessed by a local panel. We will aim to share the outcome with you within 2 weeks of the fund closing date.
