1. What is Denis Law Legacy Trust?

DLLT is a registered children's charity based in Aberdeen, Scotland which **exists to improve the lives of young people through sport and creative endeavour.**

Our flagship programme **streetsport** was established in 2006 and has been on the city's streets ever since, delivering free weekly sports and creative sessions and welcoming thousands of young participants every year.

We work in partnership with Robert Gordon university, the emergency services and many more like-minded organisations and pride ourselves in **making a genuine difference** to young people and their communities across the city year round.

Having grown year on year, we've come a long way and we'd love for you to be a part of our journey.

2. impact

Denis Law Legacy Trust uses a **Sport for Good model to tackle anti-social behaviour and improve the health and wellbeing of young people**. Working in targeted areas of Aberdeen, we support and empower our participants to be confident, capable, independent and responsible citizens within their own communities through sport and creative activities.

We're passionate about **creating positive pathways for young people** and run numerous programmes and campaigns. we've also played a pivotal role in opening three **Cruyff Courts**, all free to access sports hubs, for communities in aberdeen to enjoy.

Community Coordinator

This exciting role leads the development and delivery of our Denis Law's Academy programme, working with young people from our communities across Aberdeen.

Taking a young person-centred approach, the role engages with participants to identify the personal, practical and social barriers that impact their health, wellbeing and ability to achieve their potential.

Then working collaboratively with young people, partners and relevant agencies, the role will coordinate and enhance Academy activities that promote positive health & wellbeing, build confidence, resilience and essential life skills, and create opportunities for personal growth.

The post-holder will utilise both evidence-based and innovative approaches to support young people to overcome challenges, strengthen their sense of inclusion and belonging, and empower them to access opportunities that enable them to thrive.

Role Purpose:

To coordinate and develop Denis Law's Academy, supporting young people to improve their wellbeing, resilience and life skills, and overcome barriers that prevent them from reaching their full potential and accessing positive opportunities.
